Meticulously maintained & move-in ready mountain cabin located in the homes only Summer Place North subdivision. Large great room accented w/ an efficient wood stove, vaulted T&G ceilings, custom kitchen w/ commercial grade range, granite counters and large island. The master suite is on the main level w/ access to a covered private deck. A second bedroom/office is also on the main level. The full walkout basement has a wood stove, large living room area, bedroom, full bath and an additional storage room/second office or media room! The basement looks out on the landscaped and terraced backyard. Attached oversized 2 car garage w/ oversized doors for larger vehicles. Low maintenance yard, siding and trex decking make this the perfect home for a weekend getaway or full time living.
